ACKNOWLEDGEMENT

The Public and Independent Schools Book was produced by the Data Management and Student Certification Branch.

This information has been provided by Schools and Districts as part of the September 30th data collection. The branch would like to thank all school staff and district contacts for assisting in this process. The Public and Independent Schools Book is one of a series of information packages that summarize information about the public and independent schools in the Province of British Columbia.

Standard reports are available on overall enrolments, enrolments in special programs, class-size and student educator ratios, information about teachers and other school information. This information and a full listing of standard reports is available to schools districts and education partners from the:

Notes:

A. Funding Group Classifications:

1 Group 1 schools offer programs consistent with the goals of the British Columbia curriculum, employ certified teachers, maintain adequate educational facilities, and meet municipal codes. They receive per student grants at 50% of the student costs of local public schools.

2 Group 2 schools meet the same requirements as Group 1 schools. They receive student grants at the 35% level, because their per student costs exceed those of the local public schools.

3 Group 3 schools must maintain adequate educational facilities, and meet municipal codes. They do not receive Provincial grants.

4 Group 4 schools cater to non-provincial students. They meet the same curricular requirements as Group 1, and 80% of their teachers must be certified. These schools must be bonded, and they are not eligible for grants.

6 Group 6 schools are offshore schools which have passed their inspections and have signed the Offshore Education Agreement. These schools meet the same requirements as Group 1 schools, including BC certification of all teachers, except those pertaining to registration under the provincial Society Act or Company Act, being in good standing with the BC Registrar of Companies, or ensuring that all non-teaching staff have sucessfully completed criminal records checks under the Criminal Records Review Act. These schools are not eligible for provincial grants and they are required to pay for all Ministry-provided services, e.g., application, inspection, and student registrations, examinations and transcripts.

B. Funding Group Classification Formatting in this Report:

Spaces for four funding codes are provided for each school in the following format 'n/n/n/n'. They represent these grade ranges: K-3 / 4-7 / 8-10 / 11-12 respectively.

Schools that display a dash (-) in the 'Type' column are new Independent schools and have not yet been classified. Designation for these schools may be obtained from the Independent Schools Branch.
